**Important: The "Institution Paid" field determines which organization will receive the application (Canadian institution with a [quota \(https://cihr-irsc.gc.ca/e/54351.html\)](https://cihr-irsc.gc.ca/e/54351.html) or CIHR). Failure to submit an application through the correct channel, as described below, will result in an application being rejected from the competition.**

- **For Canadian, Permanent Resident or Protected Person applicants, enrolled during the calendar year of application at:**
  - a Canadian institution with a quota, select the institution from the drop down menu.
  - a Canadian institution without a quota or a foreign institution, manually type *CIHR* in the "Other" field.
- **For Canadian, Permanent Resident or Protected Person applicants, not enrolled at any institution during the calendar year of application:**
  - manually type *CIHR* in the "Other" field.
- **For International applicants, enrolled at the time of application in their PhD program at: (Updated: 2025-08-08)**
  - a Canadian institution with a quota, select the Canadian institution from the drop down menu.
  - a Canadian institution without a quota, manually type *CIHR* in the "Other" field.

For more information, refer to the flow chart "[How to Submit an Application to the Canada Graduate Research Scholarship – Doctoral \(CGRS D\) \(https://cihr-irsc.gc.ca/e/54352.html\)](https://cihr-irsc.gc.ca/e/54352.html) program".

## Applicants Registered during the year of Application at an Institution with a CIHR Quota

An applicant registered at any time during the calendar year of application in a degree program at a Canadian institution with a Quota **must** apply through their Canadian institution with a CIHR [quota \(https://cihr-irsc.gc.ca/e/54351.html\)\\*](https://cihr-irsc.gc.ca/e/54351.html) by completing a ResearchNet application. Applicants must communicate directly with their institution to determine their institution's internal deadline as this deadline may be well in advance of the agency deadline.

An international applicant **must** be registered at an eligible Canadian institution at the time of application. International applicants must verify whether their eligible Canadian institution has a [quota \(https://cihr-irsc.gc.ca/e/54351.html\)\\*](https://cihr-irsc.gc.ca/e/54351.html) and if not, they must apply directly to CIHR.

\*The term quota refers to the maximum number of applications an institution can forward to each agency's national competition. Institutions receive separate quotas from each agency (CIHR, NSERC and SSHRC). Applicants should first determine if an institution has a quota for their selected agency and then visit the [harmonized CGRS D program page \(http://www.nserc-crsng.gc.ca/Students-Etudiants/PG-CS/CGSD-BESCD\\_eng.asp\)](http://www.nserc-crsng.gc.ca/Students-Etudiants/PG-CS/CGSD-BESCD_eng.asp) to determine where to submit their application. Applicants who are unsure about where to apply should contact the appropriate agency.

## Applicants with No Institutional Affiliation OR Registered at an Institution without a CIHR Quota

If the applicant is Canadian, Permanent Resident or Protected Person and has not been affiliated with an institution within the calendar year of application or not been registered at any time during the calendar year of application in a degree program at a Canadian institution with a [quota \(https://cihr-irsc.gc.ca/e/54351.html\)](https://cihr-irsc.gc.ca/e/54351.html) for CIHR, the applicant must:

- Apply directly to CIHR by **October 17th at 8:00 pm ET** via ResearchNet
- Complete the "[Canada Graduate Research Scholarship – Doctoral \(CGRS D\) program: Self-Declaration of No Institutional Affiliation with a Quota Form \(https://cihr-irsc.gc.ca/e/documents/self-declaration\\_of\\_no\\_institutional\\_affiliation\\_with\\_quota\\_form-bil.pdf\)](https://cihr-irsc.gc.ca/e/documents/self-declaration_of_no_institutional_affiliation_with_quota_form-bil.pdf)" and upload this form in the application

## Indigenous Applicants

Institutions may recommend applications from self-identified Indigenous applicants to the doctoral awards competition beyond their application quota. Indigenous applicants must agree to their personal information being used for this purpose by making the appropriate selection in the application form.

Applicants who would like to self-identify as an Indigenous applicant should complete and submit the following "[Canada Graduate Research Scholarship – Doctoral \(CGRS D\) program: Voluntary Self-Identification Form for Indigenous Applicants \(https://cihr-irsc.gc.ca/e/documents/voluntary\\_self-identification\\_form\\_indigenous\\_applicants-bil.pdf\)](https://cihr-irsc.gc.ca/e/documents/voluntary_self-identification_form_indigenous_applicants-bil.pdf)".

Eligible self-identified Indigenous applicants who are required to submit directly to the appropriate agency are automatically evaluated in the national competition.

**Identify Sponsors**

[Hide Details](#)

This task collects information on the 2 sponsors whose assessments accompany your research application.

It is your sole responsibility to follow up with sponsor to ensure that assessments are submitted prior to the deadline date. You will be receiving an e-mail notification when a Sponsor form has been submitted.

You can add a sponsor by clicking on the "Add Sponsor" link.

You must have 2 individuals provide assessments on your behalf. Additional assessments will not be considered. List the names of the individuals whose assessments accompany this application below.

A "Sponsor Request" e-mail will be sent to each of the sponsors that you identify with a link to a form that they will be able to save and submit to ResearchNet. Prior to this e-mail being sent, you will have the ability to send a personal message to the sponsor informing them of your request and what to expect.

If once you have completed the Identify Sponsors task your designated recipient does not receive the request, you can resend the e-mail using the resend link that will appear in the Actions column below.

These sponsors assessments must be submitted to ResearchNet by the deadline date in order for your application to be considered for this competition. If a sponsor does not submit a sponsor form prior to the deadline date, your application will be considered as incomplete and therefore not be considered for this competition.

Please note that automated reminders are not sent to sponsors, therefore you are strongly encouraged to follow up with your sponsors to ensure that the task is completed well before the deadline.

A status of Completed indicates that the associated sponsor's assessment form/letter has been received.

**Please note that you will not be able to submit your application until all sponsor assessments have been submitted.**

**Assessment Required Deadline Date**

You can set the Assessment Required Deadline Date to best suit your application requirements up until your deadline. You must manage the deadline dates to secure the submission of the assessments.

**Legend**

 The Assessment Required Deadline Date is later than your deadline.
