REMINDER

To be eligible to apply for any SSHRC grant, applicants must have submitted any outstanding final research or activity reports for previous SSHRC grants.

CONSENT TO DISCLOSURE OF PERSONAL INFORMATION

I understand that maintaining public trust in the integrity of researchers is fundamental to building a knowledge-based society. By submitting an application, by linking my CV to an application led by another researcher or institution, or by accepting funding from the Canadian Institutes of Health Research (CIHR), the Natural Sciences and Engineering Research Council of Canada (NSERC) and/or the Social Sciences and Humanities Research Council of Canada (SSHRC), I affirm that I have read and I agree to respect all the policies of these agencies that are relevant to my research, including the [Tri-Agency Framework: Responsible Conduct of Research](#). In cases of a serious breach of agency policy, the agency may publicly disclose any information relevant to the breach that is in the public interest, including my name, the nature of the breach, the institution where I was employed at the time of the breach, the institution where I am currently employed, and the recourse imposed against me. I accept this as a condition of applying for, or receiving, agency funding and I consent to such disclosure.

(For further information, see [Questions and Answers on the consent to disclosure of personal information](#).)
